

## 2008 Candy Cane Crusade Sponsorship Form

The holidays are drawing near once again, and Heartspring is offering this season's hottest gift: **helping a child with special needs**. This gift is perfect for a student, client, friend, family member, co-worker or neighbor. You can sponsor a virtual candy cane in support of Heartspring's signature holiday event, Lights on the Lake, in honor, celebration and recognition of the special people in your life. Lights on the Lake is a drive thru holiday light event, and funds raised through this event will help children with special needs receive the resources and therapies they need.

For a \$5, \$10, \$25 or \$100 donation to Heartspring, a candy cane greeting will be sent to the mailing address or email address you provide. In addition, your name and the name of those you are honoring will be listed on the Lights on the Lake Web site, [www.lightsonthelake.org](http://www.lightsonthelake.org). To sponsor a candy cane, please visit [www.lightsonthelake.org](http://www.lightsonthelake.org) and go to the Candy Cane Crusade tab to make an online payment or complete the attached form and return to Heartspring with your payment (8700 E. 29th St. North, Wichita KS 67226). For more information, please call 316-634-8761 or email [lightsonthelake@heartspring.org](mailto:lightsonthelake@heartspring.org).

-----
